This is a joint fundraising effort on behalf of candidates for the Michigan Supreme Court. Paid for by and all contributions to be equally divided by: David Viviano For Justice, P.O. Contributions are not tax deductible for Federal Income Tax purposes. Contributions from corporations, joint stock companies, labor organizations, Indian tribes, casino interest holders, casino supplier licensee interest holders, and foreign nationals without permanent residency status (“green cards”) are prohibited. Michigan election law (MCL 169.252) allows individuals, including lawyers, to make a contribution of up to \$6,800 for a Supreme Court candidate, or \$13,600 for both candidates.

However, as to lawyers, Canon 7 of the Michigan Code of Judicial Conduct prohibits a judicial campaign committee from soliciting more than \$100 per lawyer per candidate. If you are a lawyer, and the solicitation accompanying this response and request card requests an amount greater than \$100, please regard this request as informative and not a solicitation for more than \$100 per candidate.

The maximum allowable political action committee contribution under state law is \$68,000 per candidate, or \$136,000 for both candidates. These limitations are applicable to political action committees organized under Michigan law; additional limitations apply to out-of-state political action committees. Michigan law requires candidate committees to report the name, home address, business address (principal place of business), occupation and employer for each individual whose aggregate contributions exceed \$100 in a calendar year.

**Please review and complete the information on this card to make your reservation. Please contact Anjali Ravindran at 248-719-6209 or by emailing [justices4michigan@gmail.com](mailto:justices4michigan@gmail.com) with any questions you may have.**
